NASSI MORENA

A VISION FOR THE FUTURE

Our vision is a world in which all people have the opportunity to lift themselves, their families and their communities out of poverty. A world where all children go to school, families are fed and communities thrive.

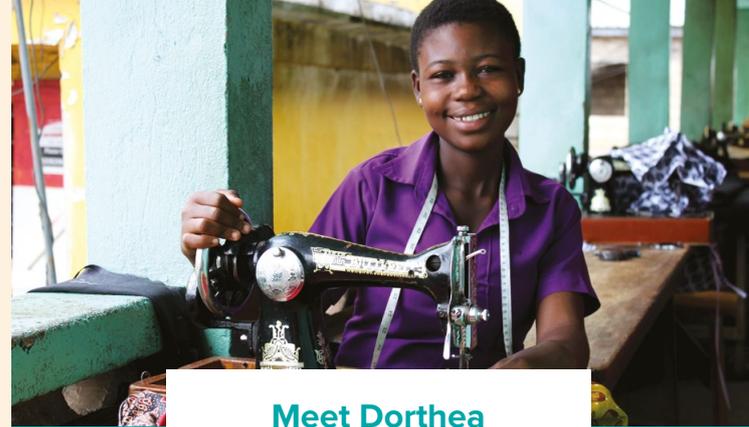

We are making progress. Since 1971 we have helped millions of people break out of poverty by building secure and sustainable livelihoods. But with your help we can achieve even more.

If you are thinking about the important business of your Will and what happens to those you care about and the causes you believe in, then this leaflet may be of interest.

Gifts left in Wills are vital to the future of our work. People living in poverty need a secure income to survive. Our innovative programmes enable people to work their own way out of poverty. With the right tools and training they can build a stable future for their children and community. You can have an impact that is far reaching; it will go beyond the individual and beyond a generation.

JUST 1%

of your estate can make a lasting difference for many generations to come

Meet Dorthea
A Ghanaian teenager
with big ambitions

Dorthea is like any other Ghanaian teenager, keen to make her way in the world with big ambitions for her future. But she has faced many challenges. Her father died when she was young, and her mother left the family to find work. Dorthea and her three siblings went to live with their grandmother. They struggled to make ends meet.

Thankfully Dorthea received a lifeline from Opportunity International's Youth Apprenticeship Programme. She gained the skills and tools to learn a trade and run a successful business. Dorthea plans to start her own tailoring shop. She wants to provide a similar opportunity to young apprentices so that they too can work towards a prosperous future.

HOW TO LEAVE OPPORTUNITY INTERNATIONAL A GIFT IN YOUR WILL

Making a Will is the only way you can be sure that your wishes are understood. It is usually a quick, simple and inexpensive process that ensures that those you care about are well looked after.

If you already have a Will and are thinking about leaving a gift to Opportunity International, you can add a codicil (a short document that is added to your Will).

The best thing to do is to speak to your solicitor who will advise you on how to create or amend an existing Will. They can also provide information about the positive effects of leaving a donation in your Will to the inheritance tax on your estate.

The key information that your solicitor will

need is our charity address and registered charity numbers:

Charity address:

Opportunity International UK, Angel Court, 81 St Clements, Oxford, OX4 1AW

Registered charity numbers:

1107713 (England and Wales) and SC039692 (Scotland)

If you decide to leave a gift to Opportunity International in your Will, you can be sure it will be used effectively to provide people with a hand up out of poverty. We receive all gifts with sensitivity and efficiency, making sure administration costs are kept to an absolute minimum. **Thank you. Without supporters like you our work for future generations would not be possible.**

If you would like further information or to speak to someone directly then please call **Jenny** on **01865 725304** or visit: www.opportunity.org.uk/gift_in_will

“ I want to be a teacher when I grow up because teacher is a good job. We have good teachers here. I like school because I can learn. ”

With support from Opportunity International, Morene’s school has built toilets, trained staff and provides regular meals to its students. More children, particularly girls like Morene, are now staying in school longer and gaining a decent education that equips them to get a good job in the future.
